

U.S.S.N. 09/135,988

BRYAN, Bruce

AMENDMENT UNDER RULE 312(a)

- at page 60, line 16, replace "phycobiliproteins" with  
—phycobiliproteins—;
- at page 60, line 18, replace "enviroment" with —environment—;
- at page 60, line 30, replace "fluoresent" with —fluorescent—;
- at page 65, line 7, replace "bioluminesce" with —bioluminescence—;
- at page 68, line 9, delete the second instance of "5,188,837";
- at page 71, line 27, replace "appropriate" with —appropriate—;
- at page 77, line 26, replace "aminoacids" with —amino acids—;
- at page 77, line 27, replace "carboxyterminal" and "aminoterminal" with  
—carboxy terminal— and —amino terminal—;
- at page 83, line 24, delete "typical its";
- at page 83, line 25, replace "ballon" with —balloon—;
- at page 88, line 21, replace "bioluminscence" with —bioluminescence—;
- at page 89, line 24, replace "punction" with —puncture—;
- at page 102, line 30, replace "hoolahoops" with —hulahoops—;
- at page 103, line 21, replace "hoolahoops" with —hulahoops—;
- at page 113, line 27, replace "suspectible" with —susceptible—;
- at page 114, line 5, replace "suchas" with —such as—;
- at page 114, line 25, replace "compointents" with —components—;
- at page 115, line 8, replace "dessicated" with —desiccated—;
- at page 115, line 12, replace "absorded lyophillized" with —absorbed  
lyophilized—;
- at page 116, line 15, replace "compenents" with —components—;
- at page 117, line 9, before "plastic" delete the second instance of "a";
- at page 117, line 30, replace "membraned" with —membrane—;
- at page 117, line 31, replace "therby" with —thereby—;
- at page 118, line 8, replace "transluscent" with —translucent—;
- at page 118, line 16, replace "reactin" with —reaction—;
- at page 118, line 21, replace "resturaunts" with —restaurants—;

U.S.S.N. 09/135,988

BRYAN, Bruce

AMENDMENT UNDER RULE 312(a)

at page 118, line 28, replace "bioluminecsent" with —bioluminescent—;  
at page 121, line 8, replace "similare" with —similar—;  
at page 123, line 15, replace "absorbtion" with —absorption—;  
at page 123, line 28, replace "sutiable" with —suitable—;  
at page 125, line 3, replace "compenents" with —components—;  
at page 125, line 19, replace "overlayed" with —overlaid—;  
at page 125, line 28, replace "producnd" with —produced—;  
at page 126, line 8, replace "brillantly" and "insenity" with —brilliantly—  
and —intensity—;  
at page 126, line 20, replace "Alternativley" with —Alternatively—;  
at page 127, line 30, replace "bioluiminescence" with  
—bioluminescence—;  
at page 128, line 1, replace "microshperes" with —microspheres—;  
at page 128, line 2, replace "selectedn" with —selected—;  
at page 128, line 20, replace "throught" with —through—;  
at page 129, line 2, replace "illiciting" with —eliciting—;  
at page 129, line 7, replace "prepration" with —preparation—;  
at page 129, line 9, replace "regulatory" with —regulatory—;  
at page 129, line 22, replace "luciferse" with —luciferase—;  
at page 130, line 5, replace "transluscent" with —translucent—;  
at page 130, line 11, replace "lyophillized" with —lyophilized—;  
at page 130, line 15, delete the phrase "The lures are **WHAT???**

**FIXXXX**";

at page 130, line 22, before the word "other" delete the second instance  
of "and";
